

Long Beach Organic, Inc.  
presents

**EARTH TALKS**  
**2015 Speaker Series**

**Spatial History of  
Long Beach**

Larry Rich

Sustainability Coordinator, City of Long Beach

Co-sponsored by Long Beach Public Library

Have you ever wondered what your neighborhood looked like before it was developed? Where rivers and creeks flowed before they were channelized? Have you ever considered how these lost landscapes of Long Beach could be revived?

**Tuesday, August 18<sup>th</sup> 6:00 PM**  
**Light refreshments served at 5:30**  
**Long Beach Main Library**  
**101 Pacific Ave.**

***Free parking Tuesdays at Civic Garage, 322 W. Broadway***

Long Beach Organic relies on donations to operate its gardens and bring you this lecture series.

**This event is free to the public.**
